Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Southern Wealth and Northern Profits: As Exhibited in Statistical Facts and Figures; Showing the Necessity of Union to the Future Prosperity and Welfare of the Republic We have endeavored, in the following pages, to trace the gradual development of this great wealth, to show its sources, the course of the resulting trade, and the great profits derived from sectional intercourse, harmony, and dependence. The mutual benefit will be found to be large and that, on the other hand, the disasters of disunion would be only the more terrible for the greatness of former success. In the midst of this prosperity, a wanton attack, by political and clerical agitators, is made upon sister States, a new idea of morality is conjured up as a means of stirring up domestic strife, and wantonly destroying the source of all this material good. Historians record with surprise the amazing folly of George the Third and his ministers, who drove the colonies into rebellion for a system But they wanted revenue. What will the future historian say of the North, which destroyed its source of profit for a more trivial pretence! The monkey that persisted in sawing off the limb between himself and the tree, seems to be the model of modern sagacity. We are told that there is no intention of destroying the institutions of the States - that the design is only to exclude the institution from territory where it would have been long since had nature permitted. There is here, then, nothing practical a mere pretence of agitating the popular mind and engendering animosities, for the mere sake of those animosities. The national prosperity, the domestic peace, the safety of...
