Booksurge, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A coherent theory of everything that presents a new understanding of the wondrous world that extends beyond the barriers of normal life. This penetrative insight into a fascinating but unfamiliar world reveals that vibrating spirit energy in the universe is the supreme driving force of human nature and it manifests as will. However, the spirit force that reveals itself in humans is not only the supreme mover in our psychological equipment; it also governs all movements throughout nature and is the primary principle underlying all creation. As a manifestation of spirit, will is the primary essence of all things and the fundamental reality in all of nature. Reality is spirit or will that expresses itself in the natural and human worlds. In addition, because of the presence of spirit there is a natural order in physical reality and a moral order in human nature. Spirit also provides us with the will to live and drives us to work towards the perfection of our characters. This original theory, considered from a metaphysical perspective, reveals that spirit causes the existence and manifestation of all things. It is indispensable for the explanation of all natural phenomena, inheres in everything and resides everywhere. Easy-to-follow exercises and techniques help you channel the dynamic spirit energy that manifests through your mind. Expand your consciousness, cultivate your mind and utilize the creative and attractive powers of your spirit to operate for your benefit and IMPROVE YOUR LIFE. Discover how it is possible through meditation, concentration, visualization, mental suggestion and other processes to unleash the awesome power that is within you to MASTER THE CONDITIONS OF LIFE. Control and direct the flow of your spirit energy to bring about manifestations in...
