Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book ***** Print on Demand *****. DEMOGRAFIA Nos controlamos o naufragamos En nuestra historia humana, no ha existido tesoro mas apreciado y gratificante que un hijo-a. Esta es la razon, por la que la humanidad genera la mayor cantidad que le sea factible. Este derecho era valido hace 100 anos atras. Hoy pasamos sus limites de estabilidad y esto se ha convertido en perjudicial y peligroso para la existencia humana. Es totalmente necesario que se empiece un equilibrio matematico donde ninguna mujer deba producir mas de dos hijos-as vivos. Los mayores opositores de esta necesidad son los religiosos, los politicos y los millonarios. Todos estos solo miran sus intereses particulares. Todo crecimiento de poblacion hace mas ricos a los ricos y hace al pobre mas pobre y dependientes de estos opositores. Lo llamado avance y bienestar economico global, es falso. Los ricos cada dia hacen sus empresas con menos mano de obras. Generando cada dia mas necesidades y degeneraciones como robos, asesinatos, y necesidades de tratar de buscar en otros paises sus futuros. Pero estas esperanzas cada dia se hace mas critica por los 250,000 que a diario aparecen como nuevos refugiados e inmigrantes ilegales.
