## PRE- AND POSTHARVEST TREATMENTS FOR THE QUALITY ASSURANCE OF AFRICAN INDIGENOUS LEAFY VEGETABLES

Cuvillier Verlag Nov 2017, 2017. Taschenbuch. Condition: Neu. Neuware - Inadequate pre- and postharvest treatments of agricultural produce are one of the central problems developing countries are facing resulting in low yield and poor quality African indigenous leafy vegetables (AIVs). AIVs are rich in nutritional and health promoting plant compounds such as vitamins, minerals, proteins, dietary fibre and antioxidant compounds. However, due to high perishability and low storage capacity in fresh form, AIVs suffer significant loss in quantity and quality...

### Reviews

*A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.*

-- **Macey Schneider**

*This pdf can be worthy of a read, and much better than other. I am quite late in start reading this one, but better then never. Its been printed in an remarkably easy way which is merely following i finished reading this book by which basically changed me, alter the way i think.*

-- **Nedra Kiehn**
