

The Ghost Rock Cafe (Paperback)

By Chinle Miller

Yellow Cat Publishing, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An old hermit has been killed in Utah's wildlands, and Sheriff Bud Shumway knows it's murder, even though some say it was a cougar kill. Others think it was done by a Bigfoot who has roamed the area for years, killing cattle and leaving people so traumatized that they never want to go into the wilderness again. But Sheriff Shumway can't afford to believe in Bigfoot, given the huge area he's responsible for, most of its wildlands. Set at the Ghost Rock Cafe, high on the wild and mysterious San Rafael Swell, this mystery will have you laughing, scared to death, and wondering if Bigfoot might really exist. In any case, you'll find out who really killed the hermit of Swasey's Cabin, and it may not be who you think. If you enjoy this book, you'll also enjoy book #2, The Slickrock Cafe, and book #3, The Paradox Cafe, as well as the rest of the series. (Each book is a stand-alone read with the same main characters.) I couldn't put this book down....

Reviews

Very good eBook and valuable one. Better than never, though I am quite late in starting to read this one. I am very easily satisfied with a publication of reading through a created publication.

-- Brianne Heidenreich

The most effective book I have ever read through. It is definitely simplistic but surprises in the fifty percent from the ebook. Your daily life span will probably be enhanced once you finish reading this ebook.
