Lifecharge Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What does it take to grow a business? Many leaders want to more fully develop their organization or business but don't have a lot of time to do so. The Lifecharge Organizational PowerPAC provides leaders information that can be quickly learned and implemented to help an entity grow and progress towards meaningful objectives. In order for an organization to leverage competitive advantages and reach greater levels of success, it is essential to remain innovative. It is also important for an institution to grow in ways that are in line with its structure, inherent strengths and values. Thus an analysis of the organization's characteristics and relationships with others and the environment should be done to discern what the entity should be doing to thrive. Because time is at a premium, there is not an overabundance of it to evaluate and formulate plans for growth. The Organizational PowerPAC enables leaders to fully analyze their entity in a short time frame and provides fundamental principles that can be put into practice immediately, at one time or incrementally, to help an organization be more effective. It comes written in a manner that can be absorbed rapidly, with applications and activities that will allow integration in a timely manner. For leaders that want to gain a greater understanding of their organization, create meaningful objectives and start progressing towards a higher level of achievement now, this book will prove extremely valuable. Lifecharge Organizational PowerPAC- Giving organizations power to charge their future!.
