*Completely essential read book. I could possibly comprehend every little thing using this written e book. You wont sense monotony at any moment of your own time (that's what catalogues are for relating to if you ask me).

## HATTER MADIGAN: GHOST IN THE HATBOX

Automatic Publishing. Hardcover. Condition: New. 380 pages. Swordplay! Newfound friendships! School bullies! Budding love! Self-serving rivals! Scheming adults and soulless rebel plotters! Welcome, to the world of Cadet Hatter Madigan, who has just entered Wonderlands Millinery academy as one of the freshmen Caps. Those born to be Royal Bodyguards are trained at one of the four academies (Heart, Clubs Diamond, Spade) linked to the royal houses. Cadets will study the mystic and martial arts, as well as the sometimes more difficult art of successfully dealing with others. Once Hatter begins his training he is thrown into a competitive world of both boys and girls vying to be the best. Arsenal cubes, blade chasers and Hat blocking 101 are all rites of passage the young milliners first take on together but must eventually perfect, separately. As readers of *The Looking Glass Wars* already know, Hatter will grow up to one day serve as bodyguard to two queens and become Wonderlands most famous traveler. But in *Hatter Madigan: Ghost in the Hatbox*, readers can live through the experiences that shaped this extraordinary Wonderlander. They will share young Hatters joy as he forges new friendships at the Millinery; suffer his frustrations as he strives to maintain these friendships; come, and witness young Hatter struggle with the first stirrings of love; watch him defend himself against rival cadets and contend with the expectations of teachers all too familiar with his infamous older brother and all while he tries to keep up with his studies. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
