Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

This powerful program provides video producers, Web developers and designers the tools to create sophisticated motion graphics and effects for film, video, CD/DVD and the Web. Adobe After Effects 5 Hands-On Training leads readers through the basics of After Effects and beyond, covering key principles, techniques, tips, and all the new features of version 5. Featuring dozens of hands-on exercises designed by Lynda Weinman, the book is built around specific, real-world projects that teach core techniques such as managing footage, layering, masking, creating effects and rendering. New After Effects features such as 3D compositing, hierarchical layering, 16-bit color channel capability, and new animation and masking enhancements are also explained in detail. 648 pp. Deutsch.
