By Andrew an Anderson

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Twenty-Five Years in a Waggon: Sport and Travel in South Africa Tories were to our border, which must affect politically and socially the different nationalities that are so widely spread over all the southern portion of Africa. With these advantages to be attained, it was necessary that some step should be taken to explore these regions, open up the country, and correctly delineate its physical features, and, if time permitted, its geological formation also, and other information that could be collected from time to time as I proceeded on my work. Such a vast extent of country, containing square miles, cannot be thoroughly explored single-handed under many years labour, neither can so extensive an area be properly or intelligibly described as a whole. I have, therefore, in the first place, before entering upon general subjects, deemed it advisable to describe the several river systems and their basins in connection with the watersheds, as it will greatly facilitate and make more explicit the description given as to the locality of native territories that occupy this interesting and valuable portion of the African...
