This book is really gripping and fascinating. Of course, it is actually play, nonetheless an interesting and amazing literature. You will not feel monotony at anytime of the time (that's what catalogs are for about if you request me).

Brand New Book ***** Print on Demand *****.Meet Our Kids Cooking Club! Andrea, Otto, Graham and Blossom love cooking so much that they formed Our Kids Cooking Club. Each week they meet at someone s house and everyone gets to make a dish that the group can share! In this book they are going to make blueberry muffins in a mug at Blossom s house. Blossom will use her favorite recipe and Andrea, Otto and Graham will help her so they can learn how to make her recipe. At the end of the book will be a guide for how to get to Otto s house so everyone can get there next week to have the cooking club meeting. There is a word search puzzle, an activity for counting, a lesson on table manners and pages that can be colored. Plus other fun activities about cooking. A Note for the Grown Ups: Our Kids Cooking Club books are designed to teach kids basic cooking skills without requiring a lot of adult intervention. The recipes in this book are all made in the microwave (not on the stove). We have included a Microwave Safety Tips sheet that can start a conversation about microwave safety.
