Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Stoicism As an adherent of the Peripatetic School myself, I do not hold a brief for the Stoics, but I have endeavoured to do them justice, and perhaps a little more, not having been on the alert to rob them of some borrowed plumes. The Porch has been credited with a great deal that really be longed to the Academy or the Lyceum. If you strip Stoicism of its paradoxes and its wilful misuse of language, what is left is simply the moral philosophy of Socrates, Plato, and Aristotle, dashed with the physics of Heraclitus. Stoicism was not so much a new doctrine as the form under which the old Greek philosophy finally presented itself to the world at large. It owed its popularity in some measure to its extravaganza. A great deal might be said about Stoicism as a religion, and about the part it played in the formation of Christianity, but these subjects were excluded by the plan of this volume, which was to present a sketch Of the Stoic doctrine based on the original authorities. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
