A WOMAN AFTER HER OWN HEART

DOWNLOAD

iUniverse. Paperback. Book Condition: New. Paperback. 104 pages. Dimensions: 8.0in. x 5.0in. x 0.3in. By the mid-twenty-third-century fifteen billion people inhabit Earth. And they are all greedy. The gap between exponential demand for non-sustainable technology and non-renewable resource depletion is hitting crisis point. The competition between the global mega-corporations and cartels is getting increasingly ruthless and violent. Fossil fuels, uranium, raw materials and even food are worth killing for. Lackey governments cannot stop it. They don't want to - it's their riches as well. Bridging the gap is BARC, the vast, global renewable resources and sustainable technology group and a few others. But the gap is becoming untenable. Can a way be found to avoid the crisis before mere savage competition deteriorates into outright worldwide Resource Wars? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
