

The NEW Energy Anatomy: Nine new views of human energy That don?t require any cl (Best Practices in Energy Medicine Series)

By M, Bruce Dickson Mss

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 246 pages. Dimensions: 8.4in. x 5.8in. x 0.7in. A constructivist (hands-on) approach to perceiving invisible human energy and where it is disturbed. The goal is empowering those individuals wishing to do more practical learning experiments in Energy Medicine. In the past, only direct clairvoyant perception could reveal invisible human energy and how its flowing. This made finding and following Therapeutic Direction extremely idiosyncratic; few could do this and even fewer do it well. Meridian tracing and muscle testing are the more modern, more democratic methods of perceiving human energy and its disturbances. Working in this level, finding and following Therapeutic Direction is multiplied many times. This is not your mothers or your fathers chakra anatomy book. NOT a rehash of chakras and acupuncture meridians nor NLP Metaprograms. Not a how-book on muscle testing Nine new views of human energy are presented. Each are perceptible and testable with self-muscle-testing. Testing thru these views is a better starting place for study human energy than auras and chakras per se as these are notoriously difficult to test and quantify. If you are already clairvoyant, NEW Energy Anatomy offers easier, more accessible...
