

The Peril of Magnificent Love

By Emma Magenta

Andrews McMeel Publishing. Hardback. Book Condition: new. BRAND NEW, The Peril of Magnificent Love, Emma Magenta, Author Bradley Trevor Greive walked into a rare-book shop in Sydney, Australia, two years ago and felt like he was looking back in time. There before him was a creative force as raw, strong, and straightforward as BTG was when trying to launch his eventual hit The Blue Day Book. Her name was Emma Magenta. The Peril of Magnificent Love introduces readers to the emotional world of a young girl who seeks love with a three-eared bunny and pursues a course to win him. Much to her chagrin, the girl discovers love's path is fraught with illusion and strewn with disappointment. Nevertheless, the young heroine overcomes her disillusion and finds new possibilities and strength in the lessons she's learned. Magenta illustrates her seemingly simple tale with naive red, black and white drawings that are filled with detail and emotion. Her keen, mischievous eye delves deeply and honestly into remote corners of the human heart. The book speaks to broad audience through its reflection of innocent dreams, sometimes-hard reality, and discerning hope for the future.

Reviews

Merely no words and phrases to explain. I was able to comprehend almost everything out of this created e publication. I am quickly will get a satisfaction of studying a created ebook.

-- Cleta Doyle

A must buy book if you need to adding benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.
