It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

It was an escape from reality. Though I had beautiful moments of creativity, the suppressed child within longed for something more. RAW: Revealing Am-ness Within was written in an effort to help everyone recognize the forms of suppression that attempts to crush the pure self. RAW is a quest to become more consciously aware of the heavy burdens of fear and relinquish it once and for all. Once there is freedom, truth will emanate. The power to complete one's journey...
