Do you like to think about the type of food that you could enjoy if you were to travel here and there. I find myself very interested in learning other culture s cuisines. I actually always make a point to eat out in a restaurant where they serve intriguing and specialty foods I usually cannot replicate at home. But one day I decide that there was no reason why I would not start preparing at home some of the most delicious Dominican Republic Food I ever tasted. After consulting with friends from that part of the world and collecting some ideas from a few chefs, this cookbook was born. Thank you for choosing this book and trusting that we will present you some original recipes you would be able to find if you were visiting the Dominican Republic area. This Dominican Cookbook is however a cheaper way to travel any night of the week you feel like it!.
