DANGEROUS PERSONALITIES: AN FBI PROFILER SHOWS YOU HOW TO IDENTIFY AND PROTECT YOURSELF FROM HARMFUL PEOPLE (HARDBACK)

Rodale Books, 2014. Hardback. Condition: New. Language: English . Brand New Book. What makes a narcissist go from self-involved to terrifying? In this national bestseller, Joe Navarro, a leading FBI profiler, unlocks the secrets to the personality disorders that put us all at risk. I should have known. How could we have missed the warning signs? I always thought there was something off about him. When we wake up to new tragedies in the news every day--shootings, rampages, acts of domestic terrorism--we often blame ourselves for missing the mania lurking inside unsuspecting individuals. But how could we have known that the charismatic leader had the characteristics of a tyrant? And how can ordinary people identify threats from those who are poised to devastate their lives on a daily basis--the crazy coworkers, out-of-control family members, or relentless neighbors? In *Dangerous Personalities*, former FBI profiler Joe Navarro has the answers. He shows us how to identify the four most common dangerous personalities and how to analyze the potential threat level: the Narcissist, the Predator, the Paranoid, and the Unstable Personality. Along the way, he provides essential tips and tricks to protect ourselves both immediately and in the long-term, as well as how to heal the trauma of being exposed to the destructive egos in our world.
