Such persons in that capacity were more useful before the introduction of bells than they have been since. She appears to have won her way by the agreeableness of her conversation, and the charm of her manners: and becoming the humble friend of Madame de Montespan, at that time the accredited mistress of the king, she was intrusted with the care and education of the royal bastards. The little Due de Maine was club-footed, and he and his governante were sent to all the baths in France and its neighbourhood, in the hopes of his washing his crooked foot straight. Previous to this time, the king had conceived a great aversion for Madame Scarron, and frequently attempted to induce Madame de Montespan to part with her. The perusal of her letters first produced a change in his feelings towards her. Afterwards she used to act as a mediator in the quarrels which frequently took place between the monarch and his haughty and capricious mistress, and was found so useful by both, that at last she became necessary. Madame de Montespan, the roughest beauty that ever graced or tormented court, had at length the profound mortification of perceiving that she was indebted for the royal visits to the attendant governante, the poor and neglected widow of Scarron, the buffoon-poet, whom she had raised from utter insignificance to consequence and competency. When the Queen died the King made proposals to Madame de Maintenon (for that had become her name); she ventured...
