Reviews

The book is not difficult in read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.
(Valerie Heaney)

BEYOND THE LAST BLUE MOUNTAIN

Penguin Books, 2017. Soft cover. Condition: New. 424pp. Written with J.R.D. Tatas co-operation, this superb biography tells the JRD story from his birth to 1993, the year in which he died in Switzerland. Divided into four parts, the book explores all the most important aspects of JRDs life. Part I deals with the early years, from JRDs birth in France in 1904 to his accession to the chairmanship of Tatas, Indias largest industrial conglomerate, at the age of thirty-four. Part II looks at his forty-six years in Indian aviation (the lasting passion of JRDs life) which led to the initiation of the Indian aviation industry and its development into one of Indias success stories. Part III illuminates his half-century long stint as the outstanding personality of Indian industry. And Part IV unearths hitherto unknown details about the private man and the public figure, including glimpses of his long friendships with people, such as Jawaharlal Nehru, Mahatma Gandhi, Indira Gandhi and his association with celebrities in India and abroad.
