

The Time is Always Now: Black Political Thought and the Transformation of US Democracy (Hardback)

Filesize: 9.12 MB

Reviews

It is fantastic and great. It usually will not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

THE TIME IS ALWAYS NOW: BLACK POLITICAL THOUGHT AND THE TRANSFORMATION OF US DEMOCRACY (HARDBACK)

[DOWNLOAD](#)

Oxford University Press Inc, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. It is widely accepted that the liberal project in America, which was so powerful for most of the twentieth century, has been in crisis for decades. Voters have rebelled against it, the right built its resurgence on antipathy to liberalism, and even the left played a part in its demise. In short, it has died by a thousand cuts. But even as its fortunes in public life and the world of politics declined, there was a renaissance in liberal political theory and philosophy, where sophisticated defenses of and rationales for liberalism came to dominate the field. Why did a re-energized defense of liberalism, especially in the works of Robert Putnam, Michael Sandel, Robert Bellah, and John Rawls (to name four), fail to take hold? There have been many answers on offer for liberalism's anemic approval ratings, but as Nick Bromell shows in *The Time is Always Now*, we may have been looking in the wrong places and using the wrong defenses for liberal democracy. Focusing on the long history of black political participation and protest, Bromell contends that it offers object lessons for liberalism. From the 1830s to the present, black intellectuals have almost necessarily identified with the subjugated and demanded that every person's inherent dignity be recognized. Despite the fact that this tradition has lasted nearly two centuries, political philosophers have mostly ignored it as an inspiration for reconstructing democracy on more egalitarian grounds. Bromell argues that blacks' reflections on their painful experience and their ability to advocate for people both black and more than black (an Obama quote) provides us with the foundation for constructing a democracy that is less angry and more welcoming of a cosmopolitan polity. While this...
