Open marriages are far better than the traditional closed monogamous marriage Women around the world have been finding out a new way to spice up the bedroom without having an affair. It s something that their husbands definitely approve of, and it doesn t have to cost much. Wouldn t you like to know what it is? This compilation of womens letters gives you a sneak peek on what it s like to have an extra hand when it comes to giving a little jump back to their marital relationship. The author shows us that women aren t far behind men in fantasizing for another person in their bed - together. Will it actually work or will this certain method actually break marriages apart in the long run? Sample 1: I guess you must be surveying several of us who have corresponded over the years about threesome fun. I had always been a rather traditional wife, not even willing to entertain thoughts of being intimate with any man other than my Harry. When Harry suggested (one...
