

The Aesthetic Movement in England (Classic Reprint) (Paperback)

By Walter Hamilton

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Aesthetic Movement in England Now up to a certain point, the theory that beauty is apparent only to some, is perfectly sound, for most persons will agree with Kant, that there can be no strict mathematical definition, or science of beauty in nature, art, poetry or music, inasmuch as beauty is not altogether a property of objects or sounds, but is relative to the tastes and faculties brought to bear upon them. Illustrations of the truth of this axiom will occur to every one it is founded upon the old old truism, tastes dryer. The aesthetes recognise this truth to the fullest extent, but having first laid down certain general principles, they have endeavoured to elevate taste into a scientific system, the correlation of the arts being a main feature of the scheme they even go so far as to decide what shall be considered beautiful, and those who do not accept their ruling are termed Philistines, and there is no hope for them. Reviews

A new electronic book with a new perspective. Better than never, though I am quite late in starting reading this one. Your life period will be changed the instant you comprehensively look at this pdf.

-- Dr. Constantin Marks II

This publication will be worth purchasing. This is for all those who state there was not a worthy of reading through. I discovered this publication from my dad and I suggested this pdf to find out.

-- Macey Cummerata
