Reviews

It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

PLAYING THE ENEMY

W F Howes Ltd, United Kingdom, 2009. CD-Audio. Book Condition: New. Unabridged. 148 x 140 mm. Language: N/A. Brand New. John Carlin, former South Africa bureau chief for The Independent , chronicles the 1995 rugby World Cup victory by South Africa, which united a divided nation following the recent election of Nelson Mandela to President. This title offers a moving and passionate account of how South Africa avoided a bloodbath. This title is shortlisted for the William Hill Sports Book of the Year in 2008 and now a major movie directed by Clint Eastwood and starring Morgan Freeman and Matt Damon. 24 June 1995. Ellis Park in Johannesburg. The Springboks versus The All Blacks in the Rugby World Cup final. Nelson Mandela steps onto the pitch wearing a Springboks shirt and, before a global audience of millions, a new country is born. This book tells the incredible story of Mandela s journey to that moment. As the day of the final of the 1995 Rugby World Cup dawned, and the Springboks faced the All Blacks, more was at stake than a sporting trophy. When Nelson Mandela appeared wearing a Springboks jersey and led the all-white Afrikaner-dominated team in singing South Africa s new national anthem, he conquered white South Africa. Playing the Enemy tells the extraordinary human story of how that moment became possible. It shows how a sport, once the preserve of South Africa s Afrikaans-speaking minority, came to unify the new rainbow nation, and tells of how - just occasionally - something as simple as a game really can help people to rise above themselves and see beyond their differences. This recording is unabridged. Typically abridged audiobooks are not more than 60 per cent of the author s work and as low as 30 per cent with characters...
