On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Is it Moonlight or is it Murder? Ned McNeil is haunted by a nightmare that wakes her in the middle of the night, leaving her gasping for breath. A dog-or is it a wolf?-howling in her yard under the brilliant autumn moon sends chills down her spine. Is the moonlight and the fact that she is alone in Granger Mansion causing her imagination to work overtime? Hidden by a dense fog, an unknown driver pursues Ned to the edge of a cliff, an innocent-appearing luncheon ends in violence, a neighbor drops dead for no apparent reason, and a hidden shooter waylays her in a deserted cemetery. Surely, these are not coincidences. Every old house has a history and Ned thought she knew everything about Granger Mansion, but the house holds some deep secrets of its own. Those secrets very nearly cost Ned McNeil her life. By the Fright of the Silvery Moon is a page turner; a cozy mystery with an extra shiver that just may keep you up at night, even when the moon isn t full!.
