*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

This book provides a complete course in grammar, describing the different types of words and explaining how these words can be put together in sentences and texts. Key features of Understanding English include: an 'Explanation' to introduce each topic; activities to consolidate and revise knowledge and skills; thought-provoking facts to foster a love of learning beyond the National Curriculum; 'Now you try' activities to develop children's understanding of English outside the classroom.
