Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From Pro Se Productions- The next chapter in its debut line from its YOUNGPULP! imprint- Companion Dragons Tales Volume Two: Finding Waxy! Roger Rusty Rustman is a very secretive fellow-and with good reason. He s not only an untrained wizard who uses forms of magic that are frowned upon, and trades in enchanted items that aren t exactly approved of; but he travels to dangerous places that other magical people avoid, and then writes about them anonymously. From his questionable recreational hobbies he has built a tidy second income along with a stockpile of magical resources. Over the years Rusty has gained a reputation as a shady character who operates on the fringes of the Wizards and Witches Council code of ethics while flaunting Wordsmith Guild regulations; but he s really just a quiet and modest writer mage who enjoys a bit of adventure now and then. The last thing Rusty needs is a small but very noticeable companion tagging along. Unfortunately, while on his latest trip out to the magical otherworlds, he finds a very large abandoned egg that decides to hatch unexpectedly in his vacation cabin. That begins an entirely bizarre and mystifying set of events that only the cooperation of a spunky and intelligent little rainbow colored dragon can get him out of safely. Pro Se Productions proudly presents Companion Dragons Tales Volume Two: Finding Waxy by Roger Stegman and Nancy A. Hansen, a series in Pro Se s YoungPulp! imprint. This imaginative adventure expands the world of dragon familiars and their humans introduced in the first volume and brings a new voice into the storytelling. Hansen and Stegman weave words like the best wordsmiths they have created, making Companion...
