Filesize: 3.13 MB

Reviews

This book is really gripping and fascinating. I really could comprehend almost everything using this published e book. I am just very easily can get a delight of reading a published publication.

(Kailey Pacocha)

THE TRUMPING OF POLITICAL PARADIGMS (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As the Democrats continue to march in lock step to the left, the Old Party Republicans stumble about amok in political correctness that leaves them often indistinguishable from liberals. The Conservative Republicans stand alone in promoting the core principles of individual freedom based on traditional Judaeo-Christian values. It takes a maverick like Donald Trump to lead and orchestrate the movement of the country back to its firm shoring in a moral bedrock foundation. How? By fighting back against the constant attacks by the vagrant Left, the biased and dishonest media, and the plague of political correctness, and doing it by giving honest, authentic, transparent public comments on current events and the culture. Economic prosperity, reform of unsustainable social programs, peace through strength, limited government, the ability to cut through red tape to get things done, and defense of life, liberty, and religion. these are the unifying forces that win elections. It takes someone untied to special interests and concern for personal wealth, someone who will work for the good of the country regardless of personal and political paybacks. It takes someone with common sense and patriotic unselfishness in the same vein as that of our Founding Fathers. It takes someone who speaks the truth directly to the people right past the corrupt and declining media, clearing the smoke and mirrors out of the political forces in Washington D.C., and exposing the destructive Leftist cult for what it is. Trump will lead the charge to the moral high ground on the most important issue of our time, the defense of life, particularly for that in the womb. Women will no longer be faced with the choice to kill their own, or be forced...
