From My Shelf Books Gifts, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. We are all just killing time, until time eventually kills us. We go through life knowing death is waiting, but not knowing what comes next. I don't have to wonder anymore, because I died. The sages say, a journey of a thousand miles begins with a single step. Mine started with just a single click. This is an epic tale full of danger, adventure, friends, and a wolf the size of a bull moose, and it all started on my living room couch. Operation Ragnarok is a fantastical adventure with comedic elements about a group of gamers going through a mid-life crisis, instead of the little red corvette, they decide to steal a Viking longship from a museum. It's a story of friendship, sacrifice, and unleashing Hel on Earth.
