MIDEGO, Inc. Paperback. Condition: New. 168 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Many people are attracted to working abroad but have little knowledge of the rewards and challenges of international public health. Dr. Karlin provides insights into working in Thailand, Pakistan, Papua New Guinea, Haiti, Indonesia, Uzbekistan, and many other countries. He addresses subjects such as the joys and challenges of living within different cultures, raising a family in a developing country, and meeting and working with great people. Through his vast experience and in his unique engaging way, he shares with his readers many insights into what a career in global health means. This book is a must read for anyone interested in exploring a career in international public health or in international development in general. In this insightful book, Dr. Karlin also addresses: A practical definition of Public health and what makes it essential. Career advice about getting started in international public health, academic training, and links to key international organizations. Insights into why programs in countries such as Thailand succeed while others, such as in Haiti, fail. The nuts and bolts of effective water, sanitation and community development. Practical approaches to family planning education. Lessons learned on bridging cultural gaps. How readers can get started in career paths, including details about leading organizations and publications. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
