Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The author of this Manual, while calling it a History of the Roman Breviary, has been far from supposing that so great a subject could be exhaustively treated in so few pages. His object has been to summarise, and on some points to state more precisely, and with all possible clearness, the results reached or led up to by such learned writers as Cardinal Bona, Cardinal Tommasi, Thomassin, Dom Gueranger, and Monsignor de Roskovany. In summarising these results, he has in every case verified them by reference to their original sources, being determined that, though his work was to popularise the subject, it should be work at first hand, and give direct information. He has even been led to revise them, not considering himself forbidden to make researches on his own account, to classify in accordance with his personal observation, and to draw conclusions on his own responsibility and at his own risk. But in thus treating this vast subject it has not been possible for him to avoid seeing how many unexplored countries are still to be found in that ancient continent. We are still without a critical edition of the Liber Responsalis of the Roman Church; we have no collection or scientific classification of the most ancient Ordines Romani; no catalogue of the Roman liturgical books from the eighth to the thirteenth century; no catalogue or classification of monastic breviaries of dates anterior to the thirteenth century, or of breviaries, whether Roman or non-Roman, from the thirteenth to the fifteenth century; we have not even a descriptive account of printed Roman breviaries Not to speak of documents which might be published relating to the various reforms of the Roman Breviary in...
