Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Fur Trade of America Is fur trading founded on cruelty? For the past few years, there has been a campaign waged in the United States, which almost charges any one wearing a piece of fur with murder. When that question is asked me, I feel like answering by asking another set of questions - Is child birth cruel? Is any type of birth for animals or humans painless? Should we abolish all birth and strive for the Nirvana of Nothingness because all birth is attended with even greater pain than death? Should we cease to fight for right and award honor to the heroes of war, because the triumph of right must necessarily entail death to those who fight for wrong? But I do not hurl back this bombardment of counter questions; for I realize they are founded on misconceptions; and I love the creatures of the wilds - feathered and furred - with a passion that has taken me to the open every year of my life and keeps me to-day by preference a resident of the country rather than a denizen of the town. As a girl, I learned to shoot. As a woman, I have never fired a shot at a wild creature, except in the air to scare husky dogs away from molesting the ham and bacon stored in our camp kit; and if I hadn t, they would have eaten our boots. The people, who have accused the fur trade of being founded on cruelty, I notice eat game birds and ham and bacon and roast beef and fresh lamb; but that inconsistency apart, let us face the question...
