Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Prof. Buford Ziemann)

LAST STOP THIS TOWN

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 192 pages. Dimensions: 8.4in. x 5.5in. x 0.6in. The debut novel from American Pie series screenwriter David H. Steinberg. Its the last weekend before high school graduation, and as they prepare to go their separate ways, four life-long friends spend a wild and raucous night in New York City that forces them to face their fear of growing up. . . and growing apart. West Hartford, Connecticut. Growing up in the suburbs is a mind-numbingly boring experience for most teenagers, and high school seniors Dylan, Noah, Pike, and Walker are no exception. They spend their days testing how fast they can drive on the local residential streets, bribing homeless dudes to buy them beer, and attending crappy house parties. So when Dylan proposes that they spend their last weekend of high school in New York City attending an underground rave, the guys are ready to make some serious memories. In New York, though, the guys have run-ins with a drug dealer with a penchant for fire extinguishers, a Chinese restaurant owner with a score to settle, an Albanian street gang, con men, hookers, performance artists, and a gaggle of hot, degenerate, rich girls. Over the course of one incredible night, their outrageous journey gives the guys a bonding experience theyll never forget, as they learn that part of growing up means theyre going to have to face their futures on their own. (Parental advisory: This book contains strong language, drinking, drugs, and sexual situations, all involving teens.) This item ships from La Vergne, TN. Paperback.
