MEMORY EMORY AND HIS HIDING PLACES (PAPERBACK)

Dog Ear Publishing, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is designed to introduce your child to the power of memory. For most of us, that ability is untapped, or at least not developed. For example, you might realize after reading this book that one way to avoid misplacing your keys is to form a quirky mental picture associating your keys with the place where you put them. Only if you make a habit of doing that each time you put your keys down, however, will the realization be helpful. Forming that habit, though, can be fun, particularly if you let your imagination...
