

Congressional Edition Volume N . 6385

By Professor United States Congress

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 Excerpt: .start has been made on the project as adopted by the river and harbor act of July 25, 1912. There are now in force the following works: By contract, 78,000 linear feet standard revetment By day labor, 5,000 linear feet standard revetment. By day labor, .12.000 linear feet concrete and willow mattress revetment. By day labor, 4,500 linear feet concrete 3-row dike. These works will all be finished or well along by January 1, 1913. The funds appropriated by the act of July 25, 1912, \$800,000, will be applied to new works of revetment, dike, snagging, and new plant, and should all be under contract or in force by day labor before the summer is far advanced. In addition to the above, 13,068 linear feet of revetment under the approved project has been completed. Of the 392 miles of river, about 180 miles have been surveyed,...

Reviews

This book is definitely not effortless to begin on reading through but extremely fun to read. Sure, it can be enjoy, continue to an amazing and interesting literature. I realized this book from my dad and i recommended this pdf to understand.

-- Ezequiel Schuster

This is the best book i have read until now. It can be filled with knowledge and wisdom Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Nadia Konopelski
