Henry James, OM (15 April 1843 28 February 1916) was an American-born British writer, regarded as one of the key figures of 19th-century literary realism. He was the son of Henry James, Sr. and the brother of philosopher and psychologist William James and diarist Alice James. James alternated between America and Europe for the first 20 years of his life, after which he settled in England, becoming a British subject in 1915, one year before his death. He is primarily known for the series of novels in which he portrays the encounter of Americans with Europe and Europeans. His method of writing from the point of view of a character within a tale allows him to explore issues related to consciousness and perception, and his style in later works has been compared to impressionist painting. James contributed significantly to literary criticism, particularly in his insistence that writers be allowed the greatest possible freedom in presenting their view of the world. James claimed that a text must first and foremost be realistic and contain a representation of life that...

Reviews

Absolutely one of the better ebook We have ever study. it had been writtern quite completely and valuable. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Carol Lehner II

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
