

The Elements of Graphic Statics: And of General Graphic Methods (Classic Reprint) (Paperback)

Filesize: 8.78 MB

Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

(Trent Monahan)

THE ELEMENTS OF GRAPHIC STATICS: AND OF GENERAL GRAPHIC METHODS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Elements of Graphic Statics: And of General Graphic Methods This book is an extension of a course of lectures prepared originally by the authors for students of marine and mechanical engineering and naval architecture in their classes at Webb s Academy and Columbia University. Graphical methods have had their widest application in the analysis of the stresses in stationary structures, and therefore the majority of the text-books on this subject have been written for civil engineers. For the use of students of mechanical and marine engineering, and as of possible service to engin eers in those professions, this book gives a brief review of the principles of graphics and their application both to framed structures and to mechanism. The text has been illustrated fully by diagrams; occasional references have been furnished to sources of additional information; the principles of Applied Mechanics and of Strength of Materials which are involved in graphic processes have been discussed where necessary; and numerous problems have been assigned to test the students knowledge of the subject. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
