

Family Maps of Conway County, Arkansas

Filesize: 1.39 MB

Reviews

This pdf can be worthy of a read through, and superior to other. It generally does not expense excessive. Its been printed in an exceptionally simple way and it is just soon after i finished reading this ebook in which in fact modified me, change the way i really believe.

(Mr. August Hermiston PhD)

FAMILY MAPS OF CONWAY COUNTY, ARKANSAS

Arphax Publishing Co. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 11.0in. x 8.5in. x 0.6in. 230 pages with 74 total maps. Locating original landowners in maps has never been an easy task-until now. This volume in the Family Maps series contains newly created maps of original landowners (patent maps) in what is now Conway County, Arkansas, gleaned from the indexes of the U. S. Bureau of Land Management. But it offers much more than that. For each township in the county, there are two additional maps accompanying the patent map: a road map and a map showing waterways, railroads, and both modern and many historical city-centers and cemeteries. Included are indexes to help you locate what you are looking for, whether you know a persons name, a last name, a place-name, or a cemetery. The combination of maps and indexes are designed to aid researchers of American history or genealogy to explore frontier neighborhoods, examine family migrations, locate hard-to-find cemeteries and towns, as well as locate land based on legal descriptions found in old documents or deeds. The patent-maps are essentially plat maps but instead of depicting owners for a particular year, these maps show original landowners, no matter when the transfer from the federal government was completed. Dates of patents typically begin near the time of statehood and run into the early 1900s. Whats Mapped in this book (that youll not likely find elsewhere) . . . 2350 Parcels of Land (with original landowner names and patent-dates labeled in the relevant map) 60 Cemeteries plus . . . Roads, and existing Rivers, Creeks, Streams, Railroads, and Small-towns (including some historical), etc. What YEARS are these maps for Here are the counts for parcels of land mapped, by the decade in which the corresponding land patents were issued: Decade Parcel-count..
