Reviews

A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Miss Shannon Hill V)

WILLFUL ACTS (PAPERBACK)

Talon Books, Canada, Canada, 1998. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Willful Acts is an expanded and updated collection of Margaret Hollingsworth's best-known and most popular plays, including *The Apple in the Eye*, *Everloving*, *Diving*, *Islands*, and *War Babies* (nominated for a Governor General's Award); along with her latest play, *Commonwealth Games*. Hollingsworth's earlier work showcases recurring women's issues and themes (*Islands* was among the first plays to put lesbian characters front and centre on the Canadian stage). In her new play, *Commonwealth Games*, Hollingsworth wrestles with the question of what it means to be an English immigrant to Canada at a time when post-colonial thinking and political correctness dominate our lives.
