Sheryl Migdol, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. THIS PROFOUNDLY INTERESTING story of one woman s astonishing recovery from two painful and debilitating diseases is an extraordinary testament to the miraculous powers of spiritual healing. At age sixteen, Sheri Perl was diagnosed with Crohn s Disease. After two years of medical treatment, she was fighting for her life on the operating table. While recovering from surgery, a second illness contracted through blood transfusions was declared fatal. At this time Sheri contacted British spiritual healer, Harry Edwards, purely out of desperation, and to her amazement was the recipient of a healing so great, that it stopped her illness in its tracks, and returned her liver functions to normal. As a result of this experience, Sheri opened the doors to spiritual exploration, eventually leading her to the home of the extraordinary medium Jane Roberts, who during her lifetime spoke for a fascinating entity, called Seth. It was there that Sheri learned about the power of thought and its influence on our lives. Through Sheri s story you will learn about the presence of the unseen world of spirit and how it can and does interact with us. In her spiritual healing program Sheri teaches you how to develop your own innate healing abilities from receiving to directing healing energy. No less important, the healing program will show you how to work with the contents of your mind to become your own best ally as opposed to your own worst critic. A must-read for self-healing.
