## WALTER CARTER: THE MARTIN BOOK - A COMPLETE HISTORY OF MARTIN GUITARS (PAPERBACK)

BACKBEAT BOOKS, United Kingdom, 2006. Paperback. Condition: New. Second. Language: English . Brand New Book. (Book). For over 170 years the C.F. Martin company has produced some of the finest flat-top acoustic guitars in the world. Martin s designs for the shape and construction of these instruments have influenced virtually every other manufacturer, and the flat-top guitar as we know it today is essentially the same as that established by Martin in the 1850s. At one time or another Martin s guitars have driven the sound of every kind of popular music, from country to pop, from bluegrass to rock n roll, and with the current resurgence of acoustic music, Martin s premier guitars are once more finding a new generation of enthusiastic musicians. The Martin Book is a fresh view of this extraordinary guitar maker, pulling together many strands of musical and manufacturing lore into a fascinating whole that illuminates Martin s long and varied history. Dozens of specially commissioned full-color photographs show every kind of Martin model, some of which come from Martin s own unique collection. Meticulous listings for collectors and enthusiasts simplify the identification of Martin instruments and detail virtually every guitar that the company has produced since the early 1830s.
