COMMUNICATING RELIABILITY, RISK AND RESILIENCY TO DECISION MAKERS

Three Degrees of Learning. Paperback. Condition: New. 230 pages. Dimensions: 8.0in. x 5.2in. x 0.5in. Effective communication of concepts and solutions related to reliability, risk, and resiliency is frequently cited by technical professionals as the most challenging and overlooked aspect of their work. Texts and guidance documents often reference the importance of better communication; however, there are few practical examples and limited practical guidance for this type of communication. This book fills many of these gaps for practitioners. Communicating Reliability, Risk,...
