HOW TO WRESTLE: A BEGINNER S GUIDE TO THE WWE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Have you ever found yourself flipping through the TV channels and run across one of those sites where it looks like a scantily clad fellow with muscles out the wahzoo appears to be tumbling head over heels toward your lap? Or, maybe it wasn t an accident and you are the partner of one of those folks who frequently slap down their credit card for the WWE Pay Per View programming. Maybe you are the lucky parent of a pre-teen or teenager who has just announced that he/she is trying out for the school wrestling team. Whatever your motivation, if you can relate to any of those scenarios wrestling definitely has a place in your life. Now, you can fight it or you can roll with the punches (no pun intended) and learn to sort out the difference between a takedown and an escape. And no, we aren t talking about a bank heist! All you need is a little education, and How To Wrestle is just what the wrestling coach ordered! It s not that difficult to learn about wrestling and is actually pretty simple. Anyone can learn the basics and you can get started right away! Before you know it you ll be totally conversant in the lingo and ready to exchange intelligent conversation with the other parents at your son (or daughters) next school match. How To Wrestle may not prepare your child for Olympic competition but it will certainly make it easier to understand what s going on down on the mat in the school gymnasium. For instance, did you know that wrestling is the oldest known sport in recorded history? We know from ancient...
