

While the Stars Are at Play (Paperback)

By Jennifer Rogers

Balboa Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Children already know better than we do that mysticism is real and divinely simple, but they sometimes need reminding of their sacred place when facing real-life difficulties. This book is meant to inspire children (and the adults who read it with them) to remember their connection to all things light and wonderful in the universe. Jennifer Rogers has written a stunning spiritual children's book unlike any other! While The Stars Are At Play is filled with hope, inspiration, and guidance. This book is a reminder that light is at the core of every child, and thus a source of self-worth, self-healing, and self-trust. There is no greater gift that she could share with the precious beings who will one day be the caretakers of our planet. Although my children are older, they absolutely loved it and have reread it more times than I could count. This is a must-read for every child and a perfect book to share! -Kim O'Neill, channel, speaker, columnist, and author of How To Talk With Your Angels ; Bond With Your Baby Before Birth ; and...

Reviews

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
