Amerika: Survival of an Empire (Paperback)

By Gerhard Geyer

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.During the first 65 years of the twentieth century, the United States of America had a carte blanche and was omnipotent. America was the master of the universe, and an indispensable member of the world community. Yankeeism was widely admired, and this country was the bulwark during the Cold War with its unrivaled military might. The U.S. was respected for its unyielding pledge for individualism, freedom of speech, equal rights and equal opportunities, religious freedom, can-do spirit, pervasive sense of responsibility including a forceful advocate of democracy and a generous benefactor. In commerce, America was celebrated for its entrepreneurial spirit and for being tinkering geniuses through the venturing and nurturing of embryonic enterprises. As Edward H. Crane of the Cato Institute stated several years ago, The essence of America is a respect for the dignity of the individual. the right to life, liberty, and the pursuit of happiness is what America is all about. Unfortunately, it seems that we are losing our footing. It appears that America is currently following the steps that led to the collapse of the British Empire after World...

Reviews

This publication is fantastic. It really is full of knowledge and wisdom You are going to like just how the author write this publication.
