MY MIRACLE PIANO: MUSICAL STYLES AND COMPOSERS FROM 1894 TO PRESENT. MUSIC APPRECIATION (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The purpose of this book is two-fold. One to introduce many of the musical styles and composers from 1894 to the present and increase an appreciation for music and the piano. This information is presented in a simple way that old and young will understand and enjoy. Second to share some of my story in how I came to own an antique piano which as of this writing is 119 years old. This story is from the piano s perspective about all his journeys. As the ivory keys tickle our ears piano s bring life, become our friend and lend miracles to our lives. Without music life would B flat. Developing a skill, such as learning to play the piano shapes and builds our character, self-worth and helps us be grateful for the finer things in life.
