*It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Berrett-Koehler Publishers / Collins Business, San Francisco, United States, 2013. Soft cover. Book Condition: New. In 2009, Henry Mintzberg's *Managing* was named one of the best books of the year by *strategy + business* and *Library Journal* magazines, the number two business book of the year by the *Toronto Globe and Mail*, one of the top ten academic titles by *Choice* magazine and the management book of the year in a competition organized by the Chartered Management Institute in association with the British Library. So this is clearly a book every manager should read. But one of the issues Mintzberg addresses is the frenetic pace and relentless pressures of the job-most managers hardly have time to think. So Mintzberg has done some revising and some updating and has distilled the essence of his original 320-page book into a lean, actionoriented 216 pages. Page Extent: 216.
