

Murder Book (Paperback)

Filesize: 8.89 MB

Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.

HarperCollins Publishers, United Kingdom, 1999. Paperback. Condition: New. Language: N/A. Brand New Book. `About as noir as it can be.excellent Frances Fyfield, Daily TelegraphThe city is Los Angeles, the birthplace of the American dream, a city that has come to symbolize both heaven and hell. Billy McGrath is an enigma, half American, half English, who once dreamed of pursuing a career as an academic philosopher, but for the last fifteen years he s been a homicide detective - one of LA s best. He knows the rules, and understands a justice system that punishes the underprivileged and lets the rich go free. He s an unhappy man, divorced from the wife he still adores and separated from a daughter for whom he d willingly die. If he hasn t yet thought of suicide, he soon will.McGrath is called to a crime scene - a woman dead on a kitchen floor in one of the city s seamiest neighbourhoods, an apparently routine assignment until he discovers that the murdered woman s son is LA s biggest crack dealer, an idol of the ghetto who offers him a one-million-dollar bounty for the name of the killer. Making the wrong choice for what might be the right reasons, McGrath initiates both his own fall from grace and, as he strives to redeem himself, a series of wild and furious actions that hurtle him through the many identities of corrupt Los Angeles.In McGrath, Rayner has created a sympathetic everyman who becomes both victim and victor. Set against a bleak cityscape, Murder Book is a dark, violent and sexy thriller that is impossible to put down.
