Penguin Books, United States, 2004. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Dr. Sal Severe established himself as a leading childcare and parenting expert with his phenomenally successful *How to Behave So Your Children Will, Too!* Now he focuses on raising children between the ages of three and six. Based on Dr. Severe's philosophy that children's behavior often reflects that of their parents, this book teaches readers how to better handle a host of issues, from fussing at bedtime and temper tantrums to toilet training and sibling rivalry. Instead of focusing on what children do wrong, Severe teaches parents what they can do right by emphasizing the positive, being consistent, and being more patient. Filled with checklists, an extensive resource guide to books that parents can read with their preschoolers, and plenty of inspiration, this goldmine of helpful advice is certain to become a bible for stressed-out parents everywhere.
