Killer in the Spotlight When the Department of State and the British Government make a request, most people listen. And so does Clint Adams, the Gunsmith. When he hears that his friend Jim West recommended him, he takes on the job. It appears that two British actors are coming to tour America, and both governments want special protection for the national treasures. But it doesn't seem likely that two actors would need a bodyguard--until the first shot fired is a near miss. Someone is plotting to stop the tour dead in its tracks. Now, the Gunsmith must watch the audience and the actors--because he'll need all his skill to figure out who the shooter is and why he wants them all dead.
