

The Works of Edgar Allan Poe, Vol. 4 of 5 (Classic Reprint) (Hardback)

By Edgar Allan Poe

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Works of Edgar Allan Poe, Vol. 4 of 5 The dwellings are as much alike inside as out, and the furniture is all upon one plan. The doors are of square tiles, the chairs and tables of black-looking wood with thin crooked legs and puppy feet. The mantel-pieces are wide and high, and have not only time-pieces and cabbages sculptured over the front, but a real time-piece, which makes a prodigious ticking, on the top in the middle, with a flower-pot containing a cabbage standing on each extremity by way of outrider. Between each cabbage and the time-piece, again, is a little China man having a large stomach with a great round hole in it, through which is seen the dial-plate of a watch. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Reviews

This type of publication is every little thing and got me to seeking in advance and much more. I could possibly comprehend every little thing out of this created e publication. I am happy to explain how this is the finest pdf we have study in my very own life and can be the greatest ebook for actually.

-- Miss Berenice Weimann Jr.

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Cade Nolan
